ning of each regular issue of the PCT Gazette.*

(54) Title: HANDHELD WEAPON

(57) Abstract: A handheld weapon suited for stopping knife and other items attacks, as well as for conveying debilitating yet non-lethal blows and for applying concentrated pain in order to gain control over an individual without having to apply excessive force to an opponent. The weapon comprises a hand grip portion fitted at a first end thereof with a first spike and at a second end thereof with a second spike, the spikes facing in the same direction, and a third spike at the first end extending in an opposite direction.
